

To the Members of the California State Assembly:

I am returning Assembly Bill 2823 without my signature.

I have strongly supported efforts to make enforcement information transparent and to improve enforcement accountability. Through the Enforcement Initiative, the California Environmental Protection Agency is collecting and posting enforcement data for all environmental violations across government, not just air quality. The requirements in the bill on local air districts can be accomplished administratively and should be pursued locally by communities that desire this information.

Sincerely,

Arnold Schwarzenegger
